8.2 **MPCT** will attempt a variety of strategies to ensure that the matter is reconciled and that the learner who has been bullied feels confident that the matter has been dealt with appropriately.

10 Learners with Learning Difficulties and/or Disabilities (LLDD)

10.1 Any learners highlighted with learning difficulties and/or disabilities within **MPCT** may be especially vulnerable to bullying. Any indication of bullying of these students should be reported in the same way as for other students, according to MPCT bullying policy.

10.2 Where bullying is suspected, learners and vulnerable adults who have difficulties in communicating should be given the chance to express themselves to a member of staff with appropriate communication skills and/or be provided with an advocate.

11 Increasing awareness of anti-bullying

11.1 All staff, Learners and Directors, Managers need to be aware of **MPCT** Anti-Bullying Policy, what constitutes bullying, how it should be prevented and how it should be reported and dealt with.

11.2 MPCT will endeavour to address these requirements through:

11.3 Appropriate information and training for staff.

11.4 Information for students to increase their awareness and understanding of the inappropriateness of bullying through:

- 1) Information given during at Induction
- 2) Behaviour policy covered on induction.
- 3) Information on the student information boards.

- 4) Activities for tutors to use with groups where appropriate
- 5) Advice and information through the website.
- 6) Topic-specific events across college e.g., Anti-bullying Week (November), SaferInternet Day (February), programme dates into dairies.

11.5 Reinforcing the need for learners to understand their rights and responsibilities and through theirs and peers' code of conduct.

11.6 It is vital that the behaviour policy is clear, that it is well understood by all staff, parents and learners, and that it is consistently applied.

11.7 In developing the behaviour policy, **MPCT SLT** should reflect on the following key aspects of **MPCT** practice that, when effective, contribute to improving the quality of learner behaviour by:

- 1) A consistent approach to behaviour management across **MPCT**.
- 2) Strong Management & Leadership,
- 3) Classroom management as directed by **MPCT** policy.
- 4) Rewards and sanctions as directed by **MPCT** learner Motivational procedures.
- 5) Behaviour strategies and the teaching of good behaviour.
- 6) Staff development and support.
- 7) **MPCT** Learner support systems.
- 8) Liaison with parents and other agencies.
- 9) Managing Learner transition into **MPCT** courses respectively.

11.8 The behaviour policy acknowledges **MPCTs'** legal duties under the Equality Act 2010, in respect of safeguarding and in respect of pupils with special educational needs (SEN).

12 Behaviour Strategies in MPCT – instructors' powers

12.1 **Key Points.** Instructors have statutory authority to discipline using MPCT motivational procedures of learners whose behaviour is unacceptable, who break the college rules or who fail to follow a reasonable instruction (Section 90 and 91 of the Education and Inspections Act 2006).

12.2 The power applies to all paid staff (unless the CEO says otherwise) with responsibility for Learners.

12.3 Instructors can use motivational procedures for learners at any time the learner is in MPCT locations or elsewhere under the charge of a staff, including on outreach visits.

12.4 Instructors can also use the procedure for learners in certain circumstances when a learner's misbehaviour occurs outside of MPCT locations.

12.5 Instructors can confiscate learners' property if this is the cause of the disruption, phones, iPods etc. Learners' personal property must be secured and returned to them after the lesson.

13 Using MPCT motivational procedures for poor behaviour(s).

13.1 What the law allows:

- 1) Instructors' can use MPCT motivational procedures to help correct learner's if their conduct falls below the standard which could reasonably be expected of them. This means that if a learner(s) misbehaves, breaks **MPCT** rules or fails to follow a reasonable instruction the instructor can impose discipline measures using **MPCT** motivational technique procedures.
- 2) To be lawful, the punishment must satisfy the following three conditions:

- i. The decision to punish a learner must be made by a paid member of staff of **MPCT** only.
 - ii. The decision to punish the learner and the punishment itself must be made on **MPCT** premises or while the learner is under the charge of the member of staff; and follow **MPCT** Motivational procedures.
 - iii. It must not breach any other legislation (for example in respect of disability, special educational needs, race and other equalities and human rights) and it must be reasonable in all the circumstances.
- 3) A punishment must be proportionate. In determining whether a punishment is
- a. Reasonable, section 91 of the Education and Inspections Act 2006 says the penalty must be reasonable in all the circumstances and that account must be taken of the learner's age, any special educational needs or disability they may have, and any religious requirements affecting them.

13.2 **MPCT** does not allow Corporal punishment and is illegal in all circumstances.
MPCT Does not allow detentions.

13.3 **MPCT** Does not allow punishments through Physical Training in any circumstances (e.g., press-ups).

13.4 **MPCT** only allows discipline to be addressed using MPCT motivational procedures:

- 1) **Motivational interview**
- 2) **Timeouts**
- 3) **Informing parents/NOK**

- 4) Letters issued during interview and copies sent home and held within their file.
- 5) Suspension
- 6) Exclusion

14 If you know someone is being bullied within MPCT or outside?

- 1) Remember what you were told on induction, 'Don't stand and watch'; 'fetch help'. Tell an **MPCT** Member of staff who have ways of dealing with bullying without getting you in to trouble.
- 2) If a friend tells you that they are being bullied try to persuade them to tell a member of staff themselves. If this does not happen you should tell a teacher yourself.
- 3) Do not be, or pretend to be, friends with a bully. Show that you and your friends disapprove.
- 4) Be sympathetic and supportive to someone who may be being bullied.
- 5) Be careful about teasing people or making personal remarks; if what you are about to say may be hurtful, do not say it.

15 As a parent

15.1 Watch for signs of distress in your child, for example, they suddenly may not wish to attend college/school, feel ill regularly, or not complete work to a normal standard.

15.2 If you feel your child may be a victim of bullying behaviour, inform MPCT immediately with as many details as you can. Your complaint will be taken seriously, and appropriate action will be taken.

15.3 Discourage your child from hitting back as this will only exacerbate the issue.

15.4 Encourage your child to talk to his/her Instructor/tutor about any worries.

16 **MPCT will:**

- 1) Offer positive role models in terms of mutual respect, listening and problem solving.
- 2) Be aware of early signs of distress or withdrawal in learners.
- 3) Always listen, take seriously and act upon information received.
- 4) Ensure that all accessible areas of **MPCT** Centres are patrolled effectively during breaks by duty instructor.
- 5) Use any opportunity to discuss aspects of bullying and the appropriate way to behave towards each other e.g., discussions, news, PSHCE Programme, appropriate opportunities in the curriculum such as National Anti-Bullying Week in November, roles and responsibilities, **MPCT** Core Values, revisit/revise on induction after more leave periods of two weeks.
- 6) Build positive self-images among the learners.
- 7) Commend appropriate behaviour and reward.
- 8) Deal quickly, firmly and fairly with any complaints involving parents or learners where necessary.
- 9) Information for students about what to do if they are being bullied is displayed around the School, including telephone numbers for the independent organisations that can help.

17 **Action to be taken when bullying is suspected**

17.1 If bullying is suspected we talk to the suspected victim, the suspected bully and any witnesses. If any degree of bullying is identified, the following action will be taken:

- 1) The victim is offered support.
- 2) A record of the incident is logged on My Concern to enable patterns of behaviour to be identified. Included **MPCT** Motivational Logs.
- 3) The perpetrator is reprimanded, sanctioned appropriately and warned that there must be no recurrence of such behaviour.

UNCLASSIFIED

- 4) Acts of bullying can lead to, suspension or exclusion of the perpetrators from **MPCT**. Parents/NOK are informed where appropriate.
- 5) A more detailed explanation of how staff report, investigate and manage incidents is found in Appendix 1.
- 6) Sanctions must be applied fairly, proportionally, consistently and reasonably, taking account of any special educational needs (SEN) or disabilities that learners may have and taking into consideration the needs of vulnerable children.
- 7) **MPCT** Motivational sanctions have three main purposes, namely to:
 - i. Impress on the perpetrator that what he/she has done is unacceptable.
 - ii. Deter him/her from repeating that behaviour.
 - iii. Signal to other Learners that the behaviour is unacceptable and deter them from doing it.

The procedure is as follows:

<i>First offence</i>	Discussion of the incident with parents/NOK and strategies put in place to help change their behaviour. Depending on the severity learners may be suspended to enable sufficient investigation to be completed expulsion may happen once the investigation is complete
<i>Second offence</i>	As 'First Offence' with possible extended length of detention or suspension from MPCT . Parents/NOK invited in to discuss the matter and to suggest additional strategies/sources of help for the student. Depending on the severity learners may be suspended to enable sufficient investigation to be completed expulsion may happen once the investigation is complete
Subsequent offences	Learner suspended from MPCT , generally for two days. Letter home to parents, stating that on return to College the learner will be monitored for a period, and that any further infringement may lead to exclusion from MPCT . Depending on the severity learners may be suspended to enable sufficient investigation to be completed expulsion may happen once the investigation is complete

18 If there is evidence of a learner bullying another learner(s) then staff action is as follows:

- 1) Intervene to stop the learner harming the other learner(s)
- 2) Explain to the learner doing the bullying why his/her behaviour is inappropriate.
- 3) Give reassurance to the learner(s) who have been bullied.
- 4) Help the learner who has been bullying to say sorry for his/her actions.
- 5) Ensure that the learner who has been bullying receives praise when he/she displays acceptable behaviour.
- 6) Do not label learner(s) who bully.
- 7) When a learner has been bullying, this is discussed with his/her parents/NOK and a plan is worked out for handling the behaviour.
- 8) When a learner has been bullied, this is shared with his/her parents, explaining that the learner(s) who did the bullying are being helped to adopt more acceptable ways of behaving and that his/her parents have been informed.

19 What Are the Signs of Bullying?

- 1) Suffer damage or loss to items such as clothing, property and college work more often than might be considered normal.

5. Investigating and Managing Incidents

5.1 It is important to record all incidents no matter what they are, something that may seem insignificant at first may show record of previous recordings and warnings that would warrant intervention and appropriate response accordingly. In many cases, a quiet word of warning is sufficient to modify behaviour but as directed all cases even the quite word must be reported on the motivational logs as directed by MPCT Motivational logs/At risk/welfare records.

5.2 In all cases, the level of response is determined by the facts that emerge from an investigation into an incident.

5.3 Lead Instructors initially take responsibility for initial investigations of any reported incidents.

5.4 Students are interviewed in order to ascertain what happened.

- i. Written statements may be required from all parties involved, signed and dated.
- ii. If it is decided that further action is required then Director of Risk Management/LSO informed who will help and guide decisions to be taken.
- iii. The Learner(s) involved (both bully and bullied) may be brought together with a member of staff present to try to talk it through, with the aim of apology and reconciliation, only if this is appropriate.

5.5 Clear guidelines for future behaviour are issued to both parties and a code of conduct agreed. Learners should know that the situation will be monitored and know of consequences for the bully if bullying continues.

5.6 The sanctions which might be applied are set out earlier in this document; parents of bully and bullied should be kept informed, where necessary, at appropriate times during an investigation.

UNCLASSIFIED

- 1) Including instructor(s) of the learner(s) involved.
- 2) If no improvement is seen then meetings with parents/NOK will be instigated if appropriate.

Bullying is anti-social behaviour which; threatens the fundamental principles of the college, and it will not be tolerated. Learners are encouraged to report incidents of bullying to any member of **MPCT** staff who inspires their confidence. That member of staff will then follow **MPCT** Child Protection Policy.
